ON MUNICIPAL INCORPORATIONS**

**REPORT TO THE  
GENERAL ASSEMBLY  
OF NORTH CAROLINA**

**Pfafftown Area**

**December 18, 2000**

REPORT TO THE GENERAL ASSEMBLY  
PROPOSED INCORPORATION OF THE  
TOWN OF PFAFFTOWN  
DECEMBER 18, 2000

The Joint Legislative Commission on Municipal Incorporations was created in 1986 by the General Assembly to conduct an independent review and evaluation of proposed municipal incorporations. This evaluation, to be conducted in accordance with statutory criteria, is designed to allow the General Assembly to determine the feasibility of the proposed new municipality. The Commission consists of four members of the General Assembly, one city official, and one county official. The list of current members appears in Appendix A.

The statutory criteria require a review of community support, population, land development, nearness to other urban areas, and ability to provide municipal services at a reasonable tax rate. A copy of the statutes authorizing the Commission and setting up the review standards is attached as Appendix B.

The Commission received a petition proposing the incorporation of the Town of Pfafftown in Forsyth County on July 16, 1999. Because of deficiencies, the petition was returned to the proposed Town. The deficiencies were subsequently addressed and the petition was resubmitted to the Commission at its meeting on March 8, 2000. A copy of the petition is attached as Appendix C.

The Commission, pursuant to G.S. 120-161, asked the Division of Community Assistance of the Department of Commerce to evaluate the petition. The Division conducted the evaluation and, based upon its report, the Commission on March 8, 2000 found that the requirements of G.S. 120-163 and G.S. 120-164 had been met (a copy of the report is attached as Appendix D).

The Commission further asked the Division of Community Assistance to evaluate the proposed Town's petition for incorporation under G.S. 120-166 (a copy of the report is attached as Appendix E). The Division conducted the evaluation and found that the Town of Lewisville and the City of Winston-Salem must, by resolution, expressly approve the incorporation of the proposed Town because their population and distance from the proposed Town are within the ranges prescribed in G.S. 120-166. Neither the Town of Lewisville nor the City of Winston-Salem has submitted a resolution approving the incorporation of the proposed Town.

The Division also evaluated the proposed Town's petition under G.S. 120-167 through G.S. 120-170 (a copy of the report is attached as Appendix F). The Division found that all statutory requirements have been met.

**The Commission finds that the proposed Town of Pfafftown does not meet the standards required by Article 20 of Chapter 160A of the General**

**Statutes, and therefore the Commission does not recommend incorporation of the area as the Town of Pfafftown.**

## PART 2. Procedure for Incorporation Review.

### §120-163. Petition.

(a) The process of seeking the recommendation of the Commission is commenced by filing with the Commission a petition signed by fifteen percent (15%) of the registered voters of the area proposed to be incorporated, but by not less than 25 registered voters of that area, asking for incorporation.

(b) The petition must be verified by the county board of elections of the county where the voter is alleged to be registered. The board of elections shall cause to be examined the signature, shall place a check mark beside the name of each signer who is qualified and registered to vote in that county in the area proposed to be incorporated, and shall attach to the petition a certificate stating the number of voters registered in that county in the area proposed to be incorporated, and the total number of registered voters who have been verified. The county board of elections shall return the petition to the person who presented it within 15 working days of receipt.

(c) The petition must include a proposed name for the city, a map of the city, a list of proposed services to be provided by the proposed municipality, the names of three persons to serve as interim governing board, a proposed charter, a statement of the estimated population, assessed valuation, degree of development, population density, and recommendations as to the form of government and manner of election. The proposed municipality may not contain any noncontiguous areas.

(d) The petitioners must present to the Commission the verified petition from the county board of elections.

(e) A petition must be submitted to the Commission at least 60 days prior to convening of the next regular session of the General Assembly in order for the Commission to make a recommendation to that session.

### §120-164. Notification.

(a) Not later than five days before submitting the petition to the Commission, the petitioners shall notify:

- (1) The board or boards of county commissioners of the county or counties where the proposed municipality is located;
- (2) All cities within that county or counties; and
- (3) All cities in any other county that are within five miles of the proposed municipality of the intent to present the petition to the Commission.

(b) The petitioners shall also publish, one per week for two consecutive weeks, with the second publication no later than seven days before submitting the petition to the Commission, notice in a newspaper of general circulation in the area proposed to be incorporated of the intent to present the petition to the Commission.

**§120-165. Initial inquiry.**

(a) The Commission shall, upon receipt of the petition, determine if the requirements of G.S. 120-163 and G.S. 120-164 have been met. If it determines that those requirements have not been met, it shall return the petition to the petitioners. The Commission shall also publish in the North Carolina Register notice that it has received the petition.

(b) If it determines that those requirements have been met, it shall conduct further inquiry as provided by this Part.

**\*\*\* § 120-166. Additional criteria; nearness to another municipality.**

(a) The Commission may not make a positive recommendation if the proposed municipality is located within one mile of a municipality of 5,000 to 9,999, within three miles of a municipality of 10,000 to 24,999, within four miles of a municipality of 25,000 to 49,999, or within five miles of a municipality of 50,000 or over, according to the most recent decennial federal census, or according to the most recent annual estimate of the Office of State Budget and Management if the municipality was incorporated since the return of that census.

- (1) The proposed municipality is entirely on an island that the nearby city is not on;
- (2) The proposed municipality is separated by a major river or other natural barrier from the nearby city, such that provision of municipal services by

the nearby city to the proposed municipality is infeasible or the cost is prohibitive, and the Commission shall adopt policies to implement this subdivision;

- (3) The municipalities within the distances described in subsection (a) of this section by resolution express their approval of the incorporation; or
- (4) An area of at least fifty percent (50%) of the proposed municipality has petitioned for annexation to the nearby city under G.S. 160A-31 within the previous 12 months before the incorporation petition is submitted to the Commission but the annexation petition was not approved.

\*\*\* The 1998 amendment, effective November 1, 1998, rewrote subdivision (b)(3), which formerly read "The nearby municipality by resolution expresses its approval of the incorporation; or". The amendment is applicable to annexations for which the resolution of intent is adopted on or after November 1, 1998, and shall not apply to any incorporation proposal originally presented to the Joint Legislative Commission on Municipal Incorporations prior to that effective date.

In making findings under this section, the Commission shall take into account municipal services already being provided.

§120-171. Procedures if findings made.

(a) If the Commission finds that it may not make a positive recommendation because of the provisions of G.S. 120-166 through G.S. 120-170, it shall make a negative recommendation to the General Assembly. §120-171. Procedures if findings made.

(a) If the Commission finds that it may not make a positive recommendation because of the provisions of G.S. 120-166 through G.S. 120-170, it shall make a negative recommendation to the General Assembly. The report to the General Assembly shall list the grounds on which a negative recommendation is made, along

with specific findings. If a negative recommendation is made, the Commission shall notify the petitioners of the need for a legally sufficient description of the proposed municipality if the proposal is to be considered by the General Assembly. (c) If the Commission determines that it is not barred from making a positive recommendation, it shall make a positive recommendation to the General Assembly for incorporation.

(d) The report of the Commission on a petition shall be in a form determined by the Commission to be useful to the General Assembly.

#### **§120-172. Referendum.**

Based on information received at the public hearing, the Commission may recommend that any incorporation act passed by the General Assembly shall be submitted to a referendum, except if the petition contained the signatures of fifty percent (50%) of registered voters the Commission shall not recommend a referendum.

A brief history of Pfafftown prepared by the City-County

# Pfafftown

During the late 18th century, the Moravians were busy not only with Salem but in establishing country congregations. Peter Pfaff joined the rural congregation of Friedberg in 1771, and was one of its most active members. However, Pfaff left in 1786 to join his son on a farm near Bethania, and "Pfafftown" grew up nearby.

No buildings remain in Pfafftown from this period. Around 1850 Pfafftown expanded and several fine Greek Revival vernacular houses were constructed. Pfafftown continued to grow, and by 1896 the community boasted 100 citizens. Pfafftown lacked any major factories or mills, for the principal occupation was farming.

The Pfafftown community supported an innovative program to assist the farmers in making ends meet. In 1900, the first and possibly only organization of its kind in the county, the Labor Exchange, was established. The purpose of this organization was to exchange labor and the products of labor. The Exchange flourished for several years, but eventually faltered and closed.

Pfafftown is on the Study List for the National Register of Historic Places as a potential historic district.

### Alexander Transou House

In 1848, Alexander Transou, a farmer, store-keeper, and woodworker, built this two-story, hewn-timber house. The hall-and-parlor plan house has Greek Revival style interior details, paneled wainscoting and unusual three-paneled doors.

A statement of the estimated population and population density

## **A STATEMENT OF THE ESTIMATED POPULATION AND POPULATION DENSITY**

Using the tax maps purchased from the Forsyth GIS Mapping office, the Steering Committee obtained the tax block and lot numbers within the proposed boundaries of the Village of Pfafftown. Property owner data was then purchased from the Forsyth County Tax Assessor's Office to obtain the property owner name and mailing address, property address and, assessed value of the properties within the proposed boundaries.

It was determined that an estimated 2,022 privately owned properties are within the boundaries and it is assumed that an occupied household exists on each of those properties. The 1990 Census of Population and Housing for Forsyth County shows the total population of Forsyth County as 265,878 and the total households are shown as 107,419 or 2.475 persons per household. Using that number per household applied to the 2,022 privately owned and occupied households, the Village of Pfafftown will have an:

### **Estimated Population of 5,004 Persons**

The exact area within the boundaries of the proposed village has not been accurately determined; however, it is our best estimate that the village will have an area of 4.81 square miles. The density is therefore estimated to be:

### **1,004 Persons per Square Miles**

4 The registered voters of the Village of Pfafftown are eligible to vote in an election to recall  
5 the Mayor or a member of the Village Council.

6 If less than a majority of the votes cast on the question are for the officer's recall,  
7 the officer continues in office. If a majority of the votes cast on the question are for the

9 power to require reconsideration by the governing body of any adopted ordinance, except  
10 a budget ordinance, a bond order, a franchise ordinance, or any ordinance that by law may  
11 not be adopted without prior public notice and a public hearing. If the governing body fails  
12 to repeal an ordinance which has been required to reconsider, the voters shall have the

21 in number to at least fifteen percent (15%) of the registered voters of the Village of  
22 Pfafftown.

24 by ordinance specify the form and content of a petition and procedures for initiative and  
25 referendum elections, consistent with the provisions of this Charter and consistent with  
26 generally recognized form and content requirements and procedures for initiative and  
27 referendum petitions and elections.

28 (c) Time for filing. An initiative petition may be filed at any time. A referendum  
29 petition must be filed within 30 days after adoption by the governing body of the

1 ordinance sought to be reconsidered.

2       **Section 7-4. Certification.** The petition shall be filed with the Village Clerk and  
3 signatures shall be verified by the board of elections conducting elections for the Village.  
4 The governing body shall by ordinance adopt reasonable, generally recognized procedures  
5 for certifying the sufficiency of a petition. The governing body shall provide in the  
6 ordinance reasonable time limits for completing the certification of sufficiency of the  
7 petition.

8       **Section 7-5. Suspension of Effectiveness of Referred Ordinance.** When, within  
9 the time allowed, a referendum petition is filed with the Village Clerk, the effectiveness of  
10 the ordinance sought to be reconsidered is suspended. The suspension of the effectiveness  
11 of the ordinance shall terminate when:

- 12               (1) There is a final determination that the petition is insufficient;  
13               (2) The petitioners' committee withdraws the petition as set forth in Section  
14               7-7 of this Charter; or  
15               (3) The Board of Elections certifies that the repeal of the ordinance has  
16               been rejected in an election.

17       **Section 7-6. Consideration by Village Council and Submission to Vote.**

18               (a) When an initiative or referendum petition has been finally determined to be  
19 sufficient, the governing body shall promptly consider it.

20               (b) With respect to ordinances, except ordinances proposing a change to a form of  
21 government not set forth in G.S. 160A-101, if the governing body fails to adopt without  
22 substantive change an ordinance proposed by initiative petition or fails to repeal a referred  
23 ordinance within 60 days after the date on which the petition was certified as sufficient,  
24 the Village Council shall cause the proposed ordinance or the referred ordinance to be  
25 submitted to the voters of the Village of Pfafftown. The vote on the proposed ordinance  
26 or the referred ordinance shall be held within 150 days of the date on which the petition  
27 was certified as sufficient.

28               (c) With respect to a change to a form of government not set forth in G.S. 160A-  
29 101, if the governing body fails within 90 days to propose to the appropriate legislative

1 delegation adoption of the form of government set forth in the initiative petition, the  
2 governing body shall cause the proposed new form of government to be submitted to the  
3 voters of the Village of Pfafftown. The vote on the proposed new form of government  
4 shall be held within 180 days of the date on which the petition was certified as sufficient.

5 **Section 7-7. Withdrawal of Petition.** The petitioners' committee, being those  
6 registered voters named in the affidavit commencing the initiative or referendum, may  
7 withdraw the initiative or referendum petition at any time prior to the 15<sup>th</sup> day immediately  
8 preceding the day scheduled for a vote on the proposed or referred ordinance. The written  
9 request for withdrawal shall be signed by at least eighty percent (80%) of the members of  
10 the petitioners' committee and must be filed with the Village Clerk. The filing of the  
11 request withdraws the petition. A withdrawn petition has no further effect and all the  
12 proceedings are terminated.

13 **Section 7-8. Results of Elections.**

14 (a) Initiative.

15 (1) With respect to ordinances, except ordinances proposing a change to a  
16 form of government not set forth G.S. 160A-101, if a majority of those  
17 voting in an initiative election approve the proposed ordinance, it shall  
18 become an ordinance of the Village of Pfafftown on the date the results of  
19 the election are certified or a later effective date specified in the proposed  
20 ordinance, provided that the governing body may make nonsubstantive  
21 changes to the ordinance that it deems necessary or desirable.

22 (2) With respect to a change to a form of government not set forth G.S.  
23 160A-101, if a majority of those voting in an initiative election with respect  
24 to a new form of government approve the proposed form of government,  
25 then the governing body shall propose to the appropriate legislative  
26 delegation adoption of the approved form of government as the  
27 government of the Village of Pfafftown.

28 (b) Referendum. If a majority of those voting in a referendum election approve the  
29 repeal of the referred ordinance, it is repealed on the date the results of the election are

1 certified. If less than a majority of those voting in the election approve the repeal of the  
2 ordinance, the ordinance is an ordinance of the Village of Pfafftown and shall become  
3 effective on the date the results of the election are certified or a later effective date  
4 specified in the referred ordinance.

March 1, 2000

The Honorable Arnold J. Koonce  
Mayor, City of High Point  
1002 Nuthatch Court  
High Point, NC 27262

Dear Mayor Koonce:

As you may know, on February 10, 2000, the Committee submitted a petition to the Joint Legislative Commission on Municipal Incorporations to incorporate the Village of Pfafftown.

All other provision of Article 20, §120-163 and §120-164 of the General Statutes of the State of North Carolina were complied with when the petition was submitted with the exception of formally notifying The City of High Point. The Committee was unaware, at the time all other municipalities within Forsyth County were notified of our intentions, that High Point did, in fact, reach into the extreme south east corner of the county. We apologize for this unintentional oversight.

Should you have and questions concerning this matter or if you desire additional information, please let me know.

Yours truly,

Robert H. Reed  
Chairman

**Assessment of Petition  
by  
Pfafftown  
for  
Incorporation**

**Relative to NC G.S. 120-166.**

**North Carolina Department of Commerce  
Division of Community Assistance**

Division of Community Assistance staff has reviewed the petition for incorporation from Pfafftown as it relates to NC G.S. 120-166. That section of the General Statute refers to the nearness of the proposed new 'Village of Pfafftown' to other municipalities. Part (a) of that section sets criteria based on the nearness of the proposed new town to existing municipalities and their respective populations. Note that the General Statute requires that the population values be in accordance with the most recent decennial federal census, or according to the most recent annual estimate of the Office of State Budget and Management if the municipality was incorporated since the return of that census. These relationships are presented in the following table.

<b>Critical Distance</b>	<b>Population of Neighboring Municipality</b>
1 mile	5,000 to 9,999
3 miles	10,000 to 24,999
4 miles	25,000 to 49,999
5 miles	50,000 and over

The Town of Bethania (population 293), Town of Lewisville (population 7,617), Village of Tobaccoville (population 2,209), and City of Winston-Salem (population 143,485) are municipalities within one (1) mile of the proposed boundaries for the Village of Pfafftown. The 1990 population of both Lewisville and Winston-Salem exceed the neighboring municipal population threshold. No additional municipalities are within three (3) miles of the proposed new village. The City of King (population 4,059) and Town of Rural Hall (population 1,652) are municipalities within four (4) miles of the proposed new village. However, neither King or Rural Hall meet the neighboring municipal population threshold. The Village of Clemmons (population 6,020) is a municipality within five (5) miles of the proposed new village. However, Clemmons does not meet the neighboring municipal population threshold.

The proposed new Village of Pfafftown is not entirely on an island so Subsection (b)(1) does not apply. Pfafftown is separated from Winston-Salem by Muddy Creek so Subsection (b)(2) may apply. Finally, the petition indicated no evidence that Subsection (b)(4) applies (a petition for annexation to nearby city that was not approved).

Please note that the metes and bounds description and map presented in the petition were not completely consistent. Please also note that none of those inconsistencies affect the outcome of this assessment of the petition relative to NC G.S. 120-166.

The Commission may be precluded from making a positive recommendation on the petition for incorporation relative to the proposed Village of Pfafftown, in accordance with NC G.S. 120-166.(a), unless the Town of Lewisville and potentially the City of Winston-Salem express their approval of the incorporation by resolution. The City of Winston-Salem may or may not need to meet the requirement of NC G.S. 120-166.(a), if in accordance with NC G.S. 120-166.(b)(2), the Muddy Creek is deemed to make servicing from Winston-Salem infeasible or cost prohibitive. Otherwise, the Commission is precluded from making a positive recommendation unless the Town of Lewisville and potentially the City of Winston-Salem, in accordance with NC G.S. 120-166.(b)(3), express their approval of the incorporation by resolution.

Information sources: The foregoing assessment was based on information contained in the petition, GIS data provided by Forsyth County and the most recently updated DOT GIS data that was provided by NC CGIA. A buffer analysis (an ArcView GIS utility) was performed on the proposed boundary that was presented on the map attached to the petition. The 1990 Census population values were retrieved from the NC Office of State Planning web site ([www.ospl.state.nc.us/demog/muntot98.html](http://www.ospl.state.nc.us/demog/muntot98.html)); for municipalities incorporated since the 1990 Census, data was obtained from the most recent certified municipal population estimates from the Office of State Planning at the same web site.

Note: 1

**§ 120-166. Additional criteria; nearness to another municipality.**

- (a) The Commission may not make a positive recommendation if the proposed municipality is located within one mile of a municipality of 5,000 to 9,999, within three miles of a municipality of 10,000 to 24,999, within four miles of a municipality of 25,000 to 49,999, or within five miles of a municipality of 50,000 or over, according to the most recent decennial federal census, or according to the most recent annual estimate of the Office of State Budget and Management if the municipality was incorporated since the return of that census.
- (b) Subsection (a) of this section does not apply in the case of proximity to a specific municipality if:
- (1) The proposed municipality is entirely on an island that the nearby city is not on;
  - (2) The proposed municipality is separated by a major river or other natural barrier from the nearby city, such that provision of municipal services by the nearby city to the proposed municipality is infeasible or the cost is prohibitive, and the Commission shall adopt policies to implement this subdivision;
  - (3) The nearby municipality by resolution expresses its approval of the incorporation; or
  - (4) An area of at least fifty percent (50%) of the proposed municipality has petitioned for annexation to the nearby city under G.S. 160A-31 within the previous 12 months before the incorporation petition is submitted to the Commission but the annexation petition was not approved. (1985 (Reg. Sess., 1986), c. 1003, s. 1; 1989 (Reg. Sess., 1990), c. 1024, s. 25.)

Division of Community Assistance (DCA) staff has reviewed the petition for incorporating the Village of Pfafftown relative to NC G.S. 120-167 through G.S. 120-170. The following discussion addresses each of these sections of the General Statutes.

NC G.S. 120-167 Additional criteria; population.

NC G.S. 120-167 refers to population and requires that the permanent population must be at least 100. The petition indicates an estimated population of 5,004 which is well in excess of the minimum requirement. The Division of Community Assistance performed a land use survey of the subject area. That survey identified 1,913 dwelling units in the subject area. The 1990 US Census Bureau data indicates an average of 2.4 persons per household for Lincoln County and an occupancy rate of 92.8 percent. This suggests that 4,262 persons are likely to reside in those 1,913 dwellings. A population of 5,004 (as indicated in the petition) is certainly a reasonable estimate for the area in question. It appears that NC G.S. 120-167 is satisfied.

NC G.S. 120-168 Additional criteria; development.

NC G.S. 120-168 refers to development and requires that at least 40 percent of the area must be "developed for residential, commercial, industrial, institutional, or governmental uses, or is dedicated as open space under the provisions of a zoning ordinance, subdivision ordinance, conditional or special use permit, or recorded restrictive covenants." (1985 (Reg. Sess., 1986), c. 1003, s. 1.)

DCA used a land use survey combined with an analysis of assessment value relative to lot size to determine the degree of development. The survey considered parcels as "developed" if they had land use characteristics that were residential, commercial, institutional or governmental, industrial, or dedicated open spaces. The assessment used a residential density minimum of 1 unit per 5 acres as developed for residential purposes, since this is the standard used in the annexation statutes.<sup>1</sup> Vacant parcels, forested parcels, or parcels where agricultural use was predominant were considered "undeveloped."

DCA's analysis indicated that 50.2 percent of the subject area is developed (see Table 1 and Map A). It appears that NC G.S. 120-168 is satisfied.

**Development Relative to NC G.S. 120-168**

<b>Land Use</b>	<b>Acres</b>

<b>Total</b>	<b>3,505</b>
<b>Total Developed Acreage</b>	<b>1758</b>
<b>% Developed</b>	<b>50.2%</b>

NC G.S. 120-169 Additional criteria; area unincorporated.

NC G.S. 120-169 requires that none of the area proposed for incorporation may be included within the boundary of another incorporated municipality. DCA compared the proposed boundary for the Village of Pfafftown with the most recently updated Forsyth County (GIS) data as well as the NC DOT geographic information system (GIS) data that was provided by NC CGIA and found no evidence that any of the subject area is part of an incorporated municipality.<sup>2</sup> It appears that NC G.S. 120-169 is satisfied.

NC G.S. 120-169.1 Additional criteria; services.

NC G.S. 120-169.1(b) requires that the area to be incorporated submit a plan for a reasonable level of municipal services. To meet the requirements of this section, the persons submitting the plan for incorporation must propose to provide at least two of the following services:

- 1) Police protection.
- 2) Fire protection.
- 3) Garbage and refuse collection and disposal.
- 4) Water distribution.
- 5) Sewer collection or disposal.
- 6) Street maintenance, construction, or right-of-way acquisition.
- 7) Street lighting.
- 8) Adoption of citywide planning and zoning.

---

<sup>2</sup> The Town of Lewisville passed a resolution of consideration to annex a portion of the Pfafftown area on June 10, 1999. Lewisville is planning on passing a resolution of intent on July 13, 2000 and adopting an annexation ordinance during the Fall of 2000, making the annexation effective July 30, 2001.

The petition did include a general plan for providing four out of eight of the above services. It does propose to provide garbage collection, fire protection, street lighting, and police protection with an arrangement with Forsyth County. It appears that NC G.S. 120-169.1(b) is satisfied.

NC G.S. 120-170 Findings as to services.

NC G.S. 120-170 requires that the proposed municipality provide, at a reasonable tax rate, the services requested by the petition, and that the proposed municipality can provide at a reasonable tax rate the types of services usually provided by similar municipalities. To help quantify this requirement DCA considered the gross property assessment value of the proposed municipality as its tax base. DCA compared the property tax rates, and property tax revenues of ten municipalities that have a population size similar to that of the proposed Village of Pfafftown.

For fiscal year 1997-98 the average property tax rate and revenue for the comparison communities were \$0.48/\$100 assessment and \$1,009,837, respectively. In order for the proposed Village of Pfafftown to generate similar revenues it would have to levy a property tax rate of \$0.40/\$100 assessment (assuming a total assessment of \$260,900,458 and a collection rate of 97 percent).

**Table 2:**  
**Property Tax Rate and Revenues Comparison**

<b>Municipality</b>	<b>Population 1995</b>	<b>Tax Rate/\$100 FY1997-98</b>	<b>Property Tax Revenue</b>
Ahoskie	4,560	.74	\$1,142,281
Ayden	5,047	.47	\$518,648
Bessemer City	5,133	.44	\$922,267
Davidson	5,191	.345	\$1,434,265
Hillsborough	4,982	.45	\$1,347,599
Marion	4,998	.55	\$1,394,833
Mount Olive	4,826	.69	\$923,236
Sawmills	4,863	.15	\$199,113
Selma	4,903	.52	\$1,015,256
Siler City	5,250	.47	\$1,200,872
<b>Average Tax Rate \$0.48/\$100</b>			
<b>Average Property Tax Revenue \$1,009,837</b>			

The petition indicated that the proposed town does plan to provide services that are not already provided by the County or other local agency. The community can provide such services at a reasonable tax rate. It appears that NC G.S. 120-170 is satisfied.

### Conclusion

It appears that the proposed Village of Pfafftown satisfies the North Carolina General Statutes 120-167, 120-168, 120-169, 120-169.1(b) and 120-170. **The Commission may make a positive recommendation on the incorporation of the proposed Village of Pfafftown relative to General Statutes 120-167, 120-168, 120-169, 120-169.1(b), and 120-170.**<sup>3</sup>
